APEX Knee™ System and APEX Hip™ System X-Ray Templates

DESCRIPTION

APEX X-Ray Templates instruments are supplied by **OMNIlife science** specifically to assist in approximating the implant size of the Apex Knee™ or Apex Hip™ System implants prior to the surgical procedure.

INTENDED USE

The X-Ray Templates have been designed to estimate the implant size of the Apex Knee™ or Apex Hip™ Systems by placing these templates over the patient x-ray. A Surgical Technique can be obtained from **OMNIlife Science** or its representatives.

STORAGE

Store in a clean, dry and temperate place.

WARNINGS AND PRECAUTIONS

- **OMNIlife science** devices must only be used by surgeons who have been trained in the surgical technique and are familiar with the instruments or devices provided.
- Prior to using the x-ray templates and corresponding instrument systems, the surgeon should give careful consideration to all aspects of the surgical intervention as well as the limitations of the implant and instruments.
